Comhaltas is a community organisation. In addition to our weekly meetings, we organise regular sessions and events, which are very enjoyable. Reasonable participation by all members is important to consolidate the work done on Monday evenings.

In order to ensure the continuation and success of the branch, we will need a commitment of a small amount of time from each family / adult member. This will usually entail two or three evenings in the year. Some of the roles in the selection may be done remotely if Mondays are difficult. Please contact us if you have exceptional circumstances which may prevent you from helping (eg. full time care of an immediate family member, etc.) Please indicate where you intend to help out with the Branch:
